

SYNERGY

bentgrass blend

Where else can you find two centuries of combined expertise in the seed industry?

2 Amazing Companies—1 Great Partnership

Ontario Seed Company with over 125 years of growing service and Jacklin Seed with over 80 years of innovation team together bringing you **Synergy bentgrass blend**.

Synergy combines two powerhouse bentgrass varieties: world-renowned **L-93** and **Nightlife** from the same breeding program as T-1; to bring championship performance to your tees and fairways.

SAME BREEDING AS T-1: Enjoy the dark with newly released **Nightlife** and its dark green genetic color

SUPERB TURF QUALITY: Fine leaf texture and great turf quality

WEAR TOLERANCE: Early test data shows excellent wear tolerance

WINTER PERFORMANCE: Based on trials in Lexington, KY one of the best for breaking winter dormancy and early spring quality

LEGENDARY L-93: Successfully seeded on hundreds of courses around the world with a reputation for aggressive recovery from divots without thatching tendencies

TRIED AND TRUE PERFORMANCE: Performs like a champ throughout mid-summer with good fall color retention

DOLLAR SPOT: Renown for its dollar spot resistance
